

Essential Information

Book that hotel now!

Our friendly and efficient accommodation agency, Events in Focus, has block-booked rooms at four convenient hotels for you, both by the Stadium and in Central London.

For more information, including costs and approximate travel times to the venue, go to the accommodation section of the show website at www.smartenergy.co.uk. Other hotels may also be available on request. To make a booking:

- email Suzi Thompson at events@eventsinfocus.net
- or call Events in Focus on +44 207 902 7760

Getting there is easy!

The Wembley Stadium website has a mass of useful information on travel routes from all over the country: visit <http://www.wembleystadium.com/gettingtowembley/>.

By train or tube:

- **WEMBLEY PARK STATION** (Jubilee and Metropolitan lines); follow the pedestrian route along Olympic Way. Allow for a ten minute walk to the Stadium
- **WEMBLEY STADIUM STATION** (Chiltern line); if arriving by train from London Marylebone station, please use the White Horse Bridge. If arriving from the north, take the ramp from the platform
- **WEMBLEY CENTRAL STATION** (Bakerloo line and London Overground train line); turn right and walk in an easterly direction along High Road until you reach the Wembley triangle junction. Turn left into Wembley Hill Road, cross the road and follow the pedestrian route across the White Horse Bridge. Please allow a brisk fifteen minute walk to the Stadium

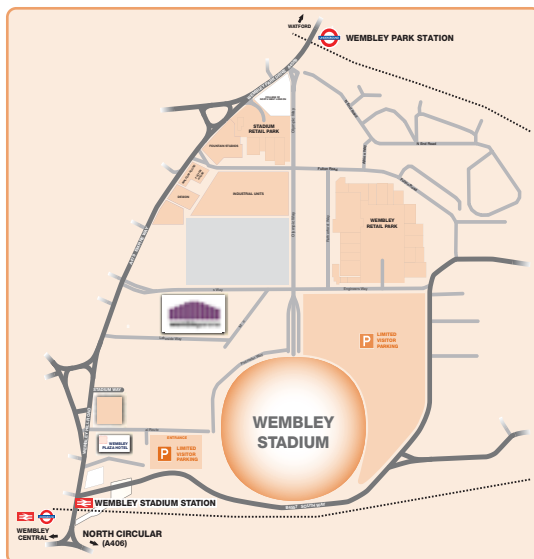

By bus: local buses include 18, 83, 92, 182, 224 and 297. For further details on London Buses visit www.tfl.gov.uk/buses.

By car: there are official car parks around the stadium which can be paid for on arrival at a cost of £18.00 per day. The Green car park is the most convenient for the Club Wembley entrance.

Satnav instructions: for satnav users the postcode is HA9 OWS

Entering the venue, and registration

Smart Energy is not allowed to place signage outside the Stadium itself, so please make your way to the Club Wembley entrance on the ground floor at the end of the Olympic Way, which is clearly signposted. Don't climb up the stairs outside the Stadium as you won't be able to gain access there. The Smart Energy registration desk and a cloakroom will be located on the ground floor, and you will then be directed up to the conference and exhibition.

See you there!

What happens when

TUESDAY DECEMBER 1

- 08:30 registration opens
- 09:00 exhibition opens
- 09:30 opening session of conference
- 17:00 conference closes
- 17:00 networking reception

- 16:30 conference and exhibition close

Keeping up to date

Do you get our free fortnightly News@All-Energy e-zine? It gives an update on news from home and overseas on all aspects of renewable energy. You can subscribe free of charge by emailing info@all-energy.co.uk with 'subscribe' in the subject line, and providing your full contact details in the message. The Smart Energy website also carries daily news directly relevant to onsite renewables, and this can now be delivered straight to your desktop by our new RSS feeds!
